Atmosphere CPaaS Portal

- Once the signup is complete, you will be assigned with a random number
- You can view that number in “My number” page and use it for flows and campaigns.

The screenshot shows the IntelPeer website navigation bar with links for Home, SmartFlows, Engage, Insights, and Numbers. The user account is identified as 'IntelPeer Product' with the name 'Shaughnessy'. The main heading is 'Atmosphere CPaaS Portal' with a welcome message. Below this, there is a section for documentation links: 'Atmosphere CPaaS Portal Quick Start Guide', 'Atmosphere SmartFlows® Quick Start Guide', 'Atmosphere Engage® Quick Start Guide', and 'Using the SMS API from the Atmosphere Portal®'. A call to action encourages users to check out the blog and follow on social media. A link to the Terms of Service is also provided. At the bottom, there are social media icons for Facebook, LinkedIn, and Twitter. The footer contains the IntelPeer logo, a Data Security Disclaimer, and contact information for support.
